No sleeping on the job

Where did it go?

This year, the sophomore class came up with a new idea — Donkey Basketball! Riders from every class, including faculty, signed up and teams were chosen. There was a big turnout and plenty of entertainment for people of every age. There were no serious injuries even though the donkeys were very spirited. It was a successful money-making campaign and the sophomore class was more than satisfied.

The Drama class has been busy this year as usual. They held a drama night which consisted of skits and plays with original monologues. There was a good turnout and the evening was thoroughly enjoyable.

# Harvey

"Harvey" — February 14 and 15, Nauset's Second Major Production of the year was presented. The bachelor and Protagonist, is Elwood P. Dowd, who is a loveable character and gets along fine with his family except for his insistence on having an invisible six foot tall white rabbit "Harvey" as his best friend. The stars of the show, Wayne Taylor and Patty Blakely, were excellent. Wayne was superb as the gentle, kind, altruistic Elwood. Patty played her role with great ardor. Both characters worked perfectly together, yet they seemed so opposite in temperament. The whole cast did a tremendous job. And what a cast it was!!! Each player seemed perfectly suited to his role. Directing was equally as outstanding as the casting. The set and its construction was simple yet very effective. The Stage Crew did a great job moving the heavy sets quickly and quietly.

We the class of 1974 dedicate our yearbook to the multi-faceted Mr. Paul Chamberlin. His more than active participation in school activities includes teaching Chemistry, Adv. Biology, Physiology, Student Council Advisor, Helping to organize and chaperone Club Culture trips, and acting as technical director for Drama. He also started the first Pre-Med high school club in the country. His weekend hours are spent working at the Cape Cod Hospital. We hope his enthusiasm and good humor remain contagious.

## Cross Country

Almost every meet this cross country season was the same story: McPartland wins; Nauset loses. The dual meet record was one win, eleven losses, but at least in the first annual Cape and Islands Cross Country Championship, Nauset came in second.

Although the team fared badly, individuals did well. Captain Ed McPartland proved to be the best runner in southeastern Massachusetts, and although he did not win any State Meet titles, he did have a second and a 12th running against the best from all over the state.

John Doucette broke freshman records at several courses, and Brenda Pettengill and Darlene Brook won trophies in the girls' division of the C and I Meet with second and third place finishes.

The varsity soccer team had a disappointing regular season of play, but made up for it with exciting postseason play.

The Warriors lost the first game but then went 7 straight games without a loss. A mid-season slump proved costly resulting in a disappointing 3rd place finish.

Nauset, a wildcard choice, defeated Duxbury 2-1 for the Division II Eastern Mass crown. The surprising Warriors represented the Eastern Mass for the State Championship against a strong Quabbin team which shattered Nauset's dream.

Scott Newcomb led the scoring with 16 regular season goals and David Lajoie contributed 9. However Russell Bassett came through with 5 of the 6 tournaments goals.

The seniors formed the nucleus leading the young club. Captain Steve Bennett and Peter Fates were honored by being elected to the All Cape squad.

Coach Jack Donahue and Captain Steve Bennett

## Junior Varsity Soccer

The Junior Varsity soccer team had a record of two wins, five losses, and two ties. This doesn't indicate the closeness of the games as many were lost by just one goal.

Sophomores who should be moving up to varsity next year include Dave Gage, Tim Gainey, Richard Chilson and Bill Staib.

Outstanding freshmen were high scorer Andy LaPiana and Peter McCray.

left to right — first row — Wayne Ellis 2nd row — Jeff Clark, Rob Peters, Chris Volovski 3rd row — Richard Houston, Scott Thomas, Coach White, Tom Carroll, Mike Gibson 4th row — Clint Newcomb, Jeff Marshall, Rob Plaiice, Ed Tartaglia, Robert Saraers, Dean Connors.

## Freshman Soccer

This year for the first time, because of a large turnout, Nauset had its first freshman team coached by Paul White. This new program enabled more boys to participate and gain valuable game experience.

Many boys were outstanding including Rich Houston, Jeff Marshall, and Ed Tartaglia. Ross Johnson and Wayne Ellis did a find job sharing the goaltending duties.

## Junior Varsity Field Hockey

The Junior Varsity field hockey team had a good year, winning seven and tying two. Every game showed improvement and by next year Nauset will more than likely win back the Cape and Islands Championship. This was coach Barbara Chako's first year as coach and she did a really fine job.

## Cheerleaders

After a very successful first season the second edition of the Nauset Warriors entered the new Cape and Island Hockey League with great expectations.

This year's group showed plenty of desire and an eagerness to improve in their early training sessions. Who will forget the mile runs in the darkness or the two mile jaunts to the ocean and back after a hard practice at the rink.

The team was made up mostly of underclassmen with only five seniors out of a 22 man squad. The five seniors gave the young squad experience, depth and leadership, any team needs for a strong season. Captain Bill Edwards a two year starter was the strong mainstay of the team coming up with the spectacular breakaway on many occasions. Dana Deschamps, Peter Fates and Steve Pike were all senior forwards who showed plenty of hustle all season.

Glenn Higgins the senior goalie made up half of the best two man goalie rotation in the league. He and Junior Barry Cummings were easily the top two goalies in the league. The defensive corps were all underclassmen with Juniors, Bob Lawless and Doug Mulholland and Sophomores Dave Gage and David Brownville. Wayne Clark, Josh Geise and Bob Savanen did the bulk of the work in the courses digging the puck out in hopes of putting Nauset on the board. The "Kid" line of Tim Gainey, Ken Kettig, Phil Peterson and Bill Chase all sophomores and playing their second year of varsity hockey showed good promise with two years still to play.

The two top scorers this year were David Gage with 6 goals and 6 assists and Bill Edwards with 9 goals and 1 assist.

# Boy's Varsity Basketball

Top Row From left to right: R. Oringer, K. Langhans, S. Oliver, S. Bennett, D. Ramsay, P. Woods, D. Reeves, B. Heines, R. Bassett. Middle Row From left to right: M. Morse, Coach Yeutter, Coach Miller, Coach White, S. Samry. Bottom Row From left to right: J. Dubois, R. Tyng, K. Clark, K. Shea.

Before the 1973-74 Basketball Campaign got under way the Nauset Warriors were, as usual, to be picked as one of the contenders along with arch rival Martha's Vineyard.

The Warriors looked strong with five returning lettermen; captain Steve Bennett, forwards Doug Ramsay, Peter Woods, Steve Oliver and guard Keith Clark. The Black and Gold had the strongest front line in the league and relied on the height and rebound to dominate the games. The most pleasant surprise of the year was the tenacious defense which held the opposition on the average under 50 points.

Leo Miller's squad with an overall record of 12-2 lost both games to league leading Martha's Vineyard who went undefeated in league play. The Warriors with a 14-4 overall record went into the state tournament with great hopes.

Along with the five returning lettermen other Warriors to see a lot of action Senior Rick Tyng and junior Bill Heines. The other hardy members were Rod Oringer, Don Reeves, Kim Shea, Kenny Langhans, Russell Bassett and John Dubois.

Congratulations to the class of 1974 from Rogers and Gray Insurance Rte 6-A, Orleans, Mass.

Under a new coach, Miss Barbara Chakko, and the help of J.V. coach Bob Rice, the Nauset girls quickly put a strong hold over most of the other teams. The main rivals proved to be Martha's Vineyard and Provincetown, who scored the only victories over Nauset. This ended the season with our team in third place, with an 8-4 record.

Had the girls won their final game, they would have been eligible for the State Tournament.

In mid-February there were tryouts for the Gymnastic Team and everybody made it. The team hopes to compete in a meet for Eastern Mass. High Schools and the district meet for the New England Gymnastic competition. All of the members of the team would like to thank our coach, Mrs. Campbell, for giving us help, encouragement and many hours of her time.
